Re: **Annual Review of Base Rates for Fuel Costs of Duke Energy Progress, LLC  
Docket No. 2018-1-E**

Dear Ms. Boyd:

During the hearing in this matter held on June 7, 2018, corrections were made to the prefiled testimony of Duke Energy Progress, LLC witnesses Kendra Ward, previously filed on May 8, 2018, and George Brown, previously filed on April 27, 2018. Enclosed for filing please find these witnesses' prefiled testimony as corrected on the stand.

The correction to Ms. Ward's testimony is a change on page 8 from a reference to Joseph A. Miller, Jr. to a reference to Bryan Walsh, who substituted for Mr. Miller. The changes to Mr. Brown's testimony include the following: corrections to the forecast and anticipated Distributed Energy Resource Program incremental and avoided cost values on pages 3 and 4; corrections to Table 2 on page 5; and removal of the reference to the Palmetto Clean Energy program on page 9.

No other changes have been made to the testimony or exhibits. Please replace the previously filed versions of Ms. Ward's and Mr. Brown's pre-filed testimony and exhibits with the attached revised versions. By copy of this letter a copy of same is being served on the parties of record. Should you have any questions regarding this matter, please do not hesitate to contact me at 803.988.7130.

Sincerely,

Rebecca J. Dulin
